OFFICE OF PETITIONS

PETITION TO REVIVE ABANDONED APPLICATION UNDER C.F.R. §1.137

SIR:

Applicant respectfully requests revival of the present Application, which has gone unintentionally abandoned on October 24, 2002.

On July 29, 2002, Attorney for Applicant received an Office Action, mailed from the USPTO on July 24, 2002. A copy of this document is enclosed herewith.

Due to an oversight in office procedure, the undersigned attorney inadvertently failed to file a response to the Office Action in a timely manner, and as a result thereof, the above-referenced application was abandoned.

Under 35 U.S.C. 1.137(b), Applicant respectfully requests revival of the above-referenced Application, which was unintentionally abandoned for failure to respond to the Office Action due October 24, 2002. The entire delay to obtain revival of the present Application, from the due date for response until the filing of the present Petition, has been unintentional by Applicant and the undersigned attorney.

Enclosed is a TJP, Esq. P.C. check (No. 3669) in the amount of \$650.00 as the Petition Fee due under 37 CFR 1.17(m). The Commissioner is authorized to charge any additional fees, which may be required, or credit any overpayment, to firm Deposit Account No. 16-1340. A duplicate copy of this sheet is enclosed.

Also, as required under 35 U.S.C. 1.137(b)(1) Attorney for Applicant has included herewith a response to the Office Action mailed July 24, 2002.

The undersigned declares further that all statements made herein are his own knowledge, are true, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

In view of the following submissions, Applicant respectfully requests revival of the above-referenced Application and continued prosecution thereof.

Respectfully submitted,

Dated: July 24, 2003
